VIDHI TUNWAL

INFORMATION TECHNOLOGY

PROFILE

I am looking for an entry-level position to kickstart my career in Information Technology. I wish to work in a dynamic organization that will contribute to my professional and personal growth while I contribute to the growth of the company as well as engage in opportunities to further the company's goals. Organized and dependable candidate successful at managing multiple priorities with a positive attitude. Willingness to take on added responsibilities to meet team goals.

PROJECTS

Beyond bias : Bridging opportunities for unemployed women	JAN 2024 -MAY 2024
Website	
Developed a dynamic website for Banasthali University aimed at bridging job opportunities for unemployed women. This project involved the design and implementation of a user-friendly platform using HTML, CSS, and JavaScript to facilitate job listings and applications specifically targeting women seeking employment.	
The website features a responsive design, interactive job search functionality, and a secure application process to enhance the user experience. The goal of the project was to empower women by providing a dedicated space for career opportunities within Banasthali University	
- Key Features: - Responsive web design for accessibility on all devices - Interactive job search and filtering options - Secure job application submission - User-friendly interface tailored for women seeking jobs	
Online book store	
Website	
- Developed a static website using html , css - link	
Portfolio: Assignment	
Basic portfolio	
- Developed a basic portfolio using html , css and javascript included projects and lab practicals - link	
Text To speech Converter	
- This project is a simple Text-to-Speech (TTS) converter built using HTML, CSS, and JavaScript. - link	
Rock, Paper, Scissors Game	
- The game allows a player to compete against the computer by choosing one of three options: rock, paper, or scissors. The winner is determined based on the game rules: rock beats scissors, scissors beat paper, and paper beats rock. - link
